

Hello

I offer Ayurvedic Massages in a small Studio in the center of Luxemburg.

As I don't use this Studio 7 days per week, I would like to share the studio with someone for 2 or 3 days per week. It could be for reflexology, chiropractor, coaching or just any other therapy or sessions where a save space is needed.

There is one room with sofa, small table, hydraulic massage table, second table with 2 chairs, a small kitchenette, a big closet and a separate small bathroom. There is also a underground parking space.

The owner of that place is very generous and I don't pay a high rent, so depending on agreed conditions I can offer to share this beautiful place for 400-500€ per month.

If someone is interested and want further informations feel free to write or call me > > > 691306721      Love and greetings, Mareilke
